

# 2020 ENVIRONMENTAL SCORECARD

## Environmentally-Friendly Label Printers

At Grand Rapids Label, protecting and preserving the environment is an integral part of our company and our culture. Since 2008, Grand Rapids Label has implemented programs to address a host of environmental initiatives including the recycle-compatibility of adhesives and liners, construction of light-weighting, production waste reclaim/reuse, waste to energy, and total energy utilization. We are proud to do our part and ready to help you do yours.
